Summary

OSHA's published enforcement data shows 4 inspections on record for 4820 Foundry Park Blvd, Columbus, OH, 43219, 1 of which is still open. These inspections carry 3 citations, 3 classified Willful, Repeat, or Serious, with \$20,375 in current penalties. 1 accident is on record, 1 fatality-linked. The most recent recorded activity is dated 2026-06-27.

Limitations & disclosures

This report contains raw OSHA enforcement data and deterministic severity labels. It does not contain a proprietary risk score. OshaPulse does not compute, assign, or imply a composite employer risk score (OC-001). Federal OSHA only — state-plan programs are not yet ingested. Citation publication can lag inspection by weeks; absence of recent activity is not evidence of safety.
